ENCOURAGE EDUCATION

1:1 INTERIM PROVISION

WHO WE WORK WITH

Families

We prioritise families and are attentive to their needs whilst welcoming all dynamics to ensure families are well-represented and the child is the focal point.

We provide families with a fresh understanding of the intricacies and sometimes complicated operations involved with providing educational services.

Schools

Our team liaise with schools, providing them with support for young people with disabilities, as well as updates on progress, and relevant communication if requested.

We also consult with schools on issues inhibiting progress for the student as well as sharing techniques we implement in meeting the needs of individuals.

Health & Social Care

Our work includes communicating with professionals from all agencies. Cohesion is critical when providing services for young people.

Encourage Education has networks with health and social care professionals and we can supply children with integrated working models.

Local Authorities

Our goal is to revolutionise the educational approach by breaking down the social, cultural, economic and any systemic barriers to learning.

OUR MISSION

To facilitate and promote welcoming yet beneficial learning standards for young people from all backgrounds.

We aim to prepare these individuals to attain their full potential by encouraging a healthy learning foundation for them to grow.

OUR SERVICES

Specialist 1:1 teaching for young people who are on the autistic spectrum, who have ADHD, SEMH and SEND. We work with young people aged 4 to 25 that require daily and or extra-curricular academic support.

FULLY QUALIFIED EXPERTISE

We have a fully qualified team of experts dedicated to identifying the specific needs of every young person we work with.

This approach enables us to create bespoke programmes suitable to meeting the needs of young people.

OUR ETHOS

The aim of the Encourage Education programme is to provide specialist 1:1 interim provision and support to young people with SEND.

Our core values are outlined in our ethos:

Relate – to create sincere connections with young people through empathy, understanding and building rapport.

Restore – to re-establish the hopes, dreams and aspirations of young people.

Renew – rebuild and encourage confidence and capabilities.

FAQS

YOU HAVE QUESTIONS, WE HAVE ANSWERS

1. What are the minimum amount of hours we can commission?

The minimum amount of hours that can be commissioned are 10 hours per week.

2. How long does it take to refer and set up a case?

We aim to review all referrals within 2 days. The next step is a teacher parent conference with teaching starting as soon as reasonably possible after.

3. How much do you charge?

We charge a standard rate of £60 per hour.

4. Can we commission joint services?

Our education programme and mentoring programme can be commissioned together.

5. How is the service delivered?

Our services are delivered in person at the home of the young person, in a local library or online.

The most appropriate mode of delivery is determined by the needs of the young person, we also consult the commissioner for the best outcome.

6. When can this service be bought?

Our education and mentoring services are available to be purchased at anytime, this includes the school holidays.

7. How long does the service last?

Our services last as long as required.

8. How can we bring a service to an end?

Our education programme has a notice period of one week.

9. Who can commission this service?

Our education programme can be commissioned by local authorities, schools or parents who elect EOTAS/home school.
